**EVERY CHILD
DESERVES**

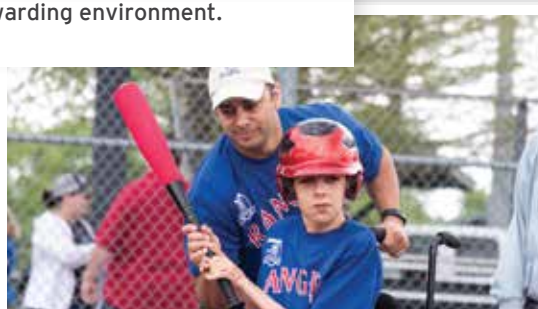

**THE CHANCE
TO PLAY**

Since 2005, The Miracle League of Frisco has been providing local children ages 5-19 with mental and/or physical challenges the opportunity to play sports as a team member in an organized league.

At The Miracle League of Frisco, we believe every child deserves the chance to play. However, for children facing difficult challenges, this opportunity may not always be available, and taking the first steps to join other local teams can often be a challenging journey.

The Miracle League of Frisco is a non-profit organization created and designed to make the experience of being part of a team possible. It provides an opportunity for children to participate in a variety of team sports - baseball, soccer, bowling, football and cheer, basketball, and track - in a fun, safe and rewarding environment.
